

Mid-Atlantic Glass Association Golf Tournament FAQ's

Does my National Glass Association Membership Apply?

No, although the Mid-Atlantic Glass Association is a regional chapter of the NGA, our memberships are separate.

Do I have to be a member of the association to play?

No, being a member is not required, although the cost for a non-member player is higher.

Can I set up a table or sit at the hole I sponsor?

No, for a few reasons. This is a social event, and the players prefer not to encounter distractions during play. We do offer an option to rent a Representative Networking Table.

How does the Rep. Networking table work?

You are renting a six-banquet table (Length: 72 in, Width: 30 in, Height: 30 in) that you can use/attend during the morning registration and during the awards banquet. They are located on the covered porch at the clubhouse. This option does not include lunch or dinner. If you are interested in participating, you must sign up on the registration form for an additional charge.

Does the Networking table come with a tablecloth?

No, most companies bring a tablecloth that has their company name on it.

Does the Networking table come with signage?

No, signage is not included.

Can the Networking table have electric service?

Yes, we can arrange that for you, but we must know prior to the event.

Will I have access to ride the course on a golf cart?

Absolutely not. The only people permitted to ride on the course are the registered players, our beverage cart sponsors' representatives, and the Mid-Atlantic Glass Association's event volunteers.

How many representatives can be present at our table?

Most only have one, but you can have more.

Can I just attend the awards ceremony dinner?

Yes, we do have an option on our registration form to just pay for the awards dinner.

If I do not sign up for lunch and dinner, are there food and beverage options at the facility?

The clubhouse does serve hot dogs and some other snack items that you can purchase at your own expense. They also have a full-service cash bar.

What time can I set up my Networking table?

Our staff will not be at the golf course before 10:00 a.m.

Can I ship materials to the facility ahead of time?

No, the golf course does not have a secure location to store items.

Can I stay at the golf course while the players are actively playing?

Yes, although the players will be gone for approximately 5 to 6 hours. Many sales reps leave the facility to see local clients and return for the awards ceremony.

How many golfers participate?

We sell out to a maximum of 144 players.

Who tends to play?

We have a true mixture of glass shop owners and employees, along with other privately owned glass industry companies, architects, and vendors. Most vendors have a foursome and invite their clients to play with them.

Can I find out who is registered prior to the event?

Our registration period does not end until the week of September 8, 2025. Many companies sign up and provide the players' names later. We must submit a completed list to the golf course 48 hours prior to the event, so that would be the earliest you could request one.

Can I provide my company's logoed items for the players' goodie/swag bag?

Yes, we welcome that, although we must have those items before the event. The goodie bags are stuffed prior to the day of the tournament. We can provide you with a shipping address should you need it.

Do the goodie/swag bag items have to be golf-related?

No, they can be anything. The same also goes for donated prizes.
